Many thanks to Sunny and her colleagues for all kind assistance in making my trip to Guilin very enjoyable. The team managed many details for me which I appreciate. Guilin is a

beautiful city, the hotel was comfortable, and the conference very educational. I met many nice people and good business contacts. Thanks GI for all the good work. I wish the team and their family very happy holidays and a successful 2018.

I would like to thank Sunny and her team for an excellent event. It was extremely well organized, and GI team really worked hard on making sure that we got the most out of the event, arranging last minute meetings for us and making introductions. It was one of the best organized events I have attended in China.

It was my pleasure to attend the Guilin International Health Tourism Forum 2017. The Content and structure of the conference was well planned & executed, the conference had all ingredients of a world class conference and it meets the need & requirement of both international and domestic delegates. I would like to congratulate Beijing Great-Idea Team for such a beautiful and well organized conference. My special Thanks to Ms. Sunny Liu and her entire team for managing the event so smooth. Planning and execution of the event was commendable and as a Healthcare professional it was a successful business event for me and my organization.

As the only invited stem cell clinic in the Czech Republic, we are very grateful to thank Sunny Liu for her infinite patience and enthusiasm for the entire GI-IHTF preparation. After we arrived in Guilin, Sunny and her team left a very deep impression on us as an invited party with a very professional and dedicated working attitude. Finally, we would like to thank the company for completing such excellent high quality forum activities. The team has set up a platform for overseas practitioners to exchange and find opportunities with their counterparts in China. We hope this activity can be better and better afterwards as it does more

understandings for more countries along the Belt and Road to build a platform and provide more communication opportunities for Greater China's health industry! Look forward to attending their event in the coming year!

I would like to say many thanks to Great Idea team for the professional organization and help during the Congress. I'd also like to express my gratitude for having had the opportunity to see Guilin's Medical Tourism great developments, and for the opportunity in terms of business development and networking. Please don't hesitate to contact me for any need related to the health market: it'll be a pleasure to be invited.

感谢博思能搭建这样的平台，感谢桂林市政府对于健康旅游倡导。作为健康行业的从业者来说，大健康含义与界定已经深入人心，健康事业正朝着宽口径，多领域，深层次的方向发展；大健康下的行业生态与从业形态，更需要从新定位，跨领域，文化层来寻求生产力的解脱，打破几近固化的行业消费关系。那么，对于我们做中医的人来说，我们厚朴中医医生集团在这次的大会上，感受到了健康事业，中医药事业的发展前途；在与各界到会嘉宾的交流与实地参访中，印证了我们厚朴中医医生集团从中医医疗+中医文化的目标是正确的，谢谢主办方。
